Quesadilla Pouch Operation Instructions

1. Place ingredients onto tortilla, then fold the tortilla in half. Ensure that contents are encased in the tortilla and not spilling out.
2. Place the folded tortilla inside the quesadilla pouch, rounded edge first.
3. Close the quesadilla pouch by folding the pouch flap over. This can be tucked into the pouch or left folded over.
4. Ensure that the pouch is properly sealed by running fingers along the creased edge.
5. With two hands, place the pouch into the tortilla toaster using the front feeder. Confirm that the rollers of the toaster have started pulling the pouch through the toaster before releasing.
6. Wearing heat resistant gloves, remove the toasted pouch from the exit chute, remove the quesadilla from the pouch and confirm that the contents are adequately toasted and warmed to desired consistency.
7. Cut or prepare quesadilla as desired.
8. Wipe the pouch with a dry cloth to remove any residue on the inside or outside. Return to use.

Daily Cleaning

It is necessary to clean the pouch of any leftover product or residue from cooking throughout the day. Follow these steps to extend the life of your quesadilla pouch:

1. Remove any leftover product or residue from the inside of the pouch.
2. Using a clean cloth, wipe the inside and outside of the pouch with a Multipurpose sink detergent solution.
3. Rinse the pouch with water to remove all detergent solution.
4. Wipe dry with a clean towel sprayed with sanitizer solution. Ensure there is no leftover water or detergent inside or outside the pouch.
