ADDITIONAL INFORMATION REGARDING PURCHASED ITEMS

- L - Electrical plant on request

For requests for Testing of electrical systems made by foreign exhibitors:

I have read and viewed the relative provisions of the Technical Regulations and attach the electrical installation diagram

A) For requests for electrical materials on lease: Spotlights, with the relative supports and electric plants, will be installed on the upper edge of the partition or back walls of the stand, and they cannot project into the aisle area. Other position, if any, (to be clearly described by enclosing dimensioned drawing) will be taken into consideration within the limits of technical possibilities.

Spotlights can not be installed above 3 meters.

B) Delivery to the booth

If you rent up to 15 days prior to the start of the event and if the booth setup is completed within 3 days before the start of the event, delivery will be by the last day of mobilization.

Requests submitted after the above terms will be handled on a first come first served basis, subject to availability. They will be delivered in order of reception of the order.

C) Collection of hired products

Hired products will be collected by Fiera Milano staff during the take-down phase. The booth must be made available for this purpose.

D) Cancellation of the service

Any cancellations by the Client are subject to the terms of the general conditions of sale and rental, article 11.
