# SHOWCASE YOUR FRESH-BAKED MUFFINS AND PASTRIES

Our range of Display Cases are the perfect way for operators to showcase baked goods and other menu items in a variety of available configurations. Each design features acrylic panels that provide full visibility inside — all in a small footprint that easily integrates into any restaurant space.

### **Increase Sales**

Boost point of purchase sales at the front counter with your baked goods on display

### **Sealed Solution**

Access fresh pastries sealed by an acrylic door that allows operators to quickly remove and load product
